AN ESSENTIAL BUSINESS

During the pandemic B&A Litigation Services was deemed an essential business for our proven ability to support virtual and hybrid solutions across a variety of industries. Now that things are settling into the "new normal" we continue to set the bar for best practices surrounding virtual (remote) and hybrid depositions.

CORE COMPETENCIES

DIFFERENTIATORS

5-Day Transcript Turnaround

Transcripts delivered in five business days with no additional fees. Expedites and rough drafts available upon request

Case Transcript and Exhibit Management

Upon request, exhibit binders with sequential exhibit indexing and original transcripts will be archived until the time of trial.

Cutting-Edge Technology

We provide state-of-the-art real time, high-definition video depositions, picture-in-picture, and full trial presentation capabilities.

Exhibit Handling

For virtual video depositions, we offer complimentary exhibit handling. We also offer a premium service with full trial presentation capability.

Virtual (Remote) Depositions

We are experts at virtual depositions using Zoom, Webex, and Teams. We set the bar for best practices.

Nationwide Coverage

We offer national coverage through our DepoSpan Network ensuring consistent quality and a single point of contact for all your depositions.
